OBJECTIVE 1

CVPA will increase funding for out-of-state recruitment by giving each school \$2,500.

OBJECTIVE 2

CVPA will hire a Graduate Assistant to support the Director of Marketing and Branding in these efforts.

OBJECTIVE 3

CVPA will coordinate all the PR/Marketing efforts in each school/area through monthly meetings with relevant stakeholders and the Director of Marketing and Branding.

OBJECTIVE 4

CVPA and the schools will assess the efforts of the plan and make corresponding adjustments for the next recruitment cycle.

GOAL 2

By August 2023, the recruitment team will review the CVPA admissions procedures and requirements and make recommendations to improve accessibility and equity.

OBJECTIVE 1

In 2023, meet with the recruitment team to evaluate the language on our CVPA applications to ensure language is clear and with the intention of removing potential barriers.

OBJECTIVE 2

When evaluating applicants remotely, we will make the application process more streamlined. By the end of 2024, we will have at least one additional offsite portfolio/audition opportunity and streamlined process.

OBJECTIVE 3

For 2023 and beyond, receive a continued commitment by each School to cover prospective students' CVPA SlideRoom applications.

OBJECTIVE 4

To highlight affordability for potential applicants, by August 2023 create links from CVPA application process to Financial Aid estimators. In the same timeline, expand drip campaign marketing to include an email about financial aid.

GOAL 3

By Spring 2024, the CVPA Recruitment Committee will allocate new resources that result in a 10% increase in applications by 2025.

OBJECTIVE 1

During the fall 2023 semester, the CVPA Recruitment Committee will create a needs-based prioritized list of actions on behalf of recruitment.

OBJECTIVE 2

Spring semester 2024, the CVPA Recruitment Committee will present this list to the Dean and AUH of the schools.

OBJECTIVE 3

Each year thereafter the CVPA Recruitment Committee will meet with CVPA leadership to report the effectiveness of their funded items and recommend their continuation or discontinuation.
