About Valley Internship Experience Workgroup

The Valley Internship Experience Workgroup (VIEW) is made possible by a grant from the State Council for Higher Education (SCHEV) and is part of a state-wide Virginia Talent and Opportunities Pathways (V-TOP) initiative to expand paid and credit-bearing student internships and other work-based learning opportunities in collaboration with Virginia employers.

V-TOP facilitates the readiness of students, employers and institutions of higher education to participate in internship and work-based learning.

About V-TOP

The Virginia Talent + Opportunity Partnership (V-TOP) connects Virginia businesses that have work-based learning opportunities to Virginia students looking for them, with Virginia's higher ed institutions serving as the main catalyst.
