

## **Resolution in Solidarity with Those Impacted by the Earthquake in Türkiye and Syria**

*Whereas* the massive earthquakes that recently struck regions of Türkiye and Syria have caused catastrophic devastation and heartbreaking loss,

*Whereas*, as members of an institution of higher education with a commitment to global engagement, we believe it is important to recognize human suffering in all its forms wherever it occurs and to take action,

*Be it resolved that* the Faculty Senate at JMU stands in solidarity with the impacted communities and extends its deepest condolences to those who have lost loved ones.

*Be it further resolved that* the Senate offers its sympathy to the JMU students, faculty, and staff with ties to Türkiye and Syria who are grieving.

*Be it also resolved that* the tragedy still unfolding in Türkiye and Syria calls upon us to learn more about the societies affected, to lend support in whatever way we can, and to cultivate a deeper understanding of our shared humanity.
